So much more than a tour, the Turkey Hill Experience is a new attraction that appeals to all ages. The Experience celebrates things that never get old – good food, good fun and family traditions. The Turkey Hill Experience is an educational celebration of the famous Lancaster County ice cream and iced tea, and the family-run dairy where it all started.

The interactive exhibits let you create your own virtual ice cream flavor, design your own virtual ice cream packaging, become the star of an ice cream commercial and explore the history of Turkey Hill.

The relaxed fare of our Creamery Café is the perfect complement to the free samples of your favorite Turkey Hill iced tea and ice cream flavors. Top it all off with a visit to our well-stocked gift shop so that you can bring home a piece of Lancaster County and a Turkey Hill memento.

For more information, call 1-888-986-8784 or visit TurkeyHillExperience.com to plan your experience! The Turkey Hill Experience is located off the Columbia Exit of Route 30 at 301 Linden Street, Columbia, PA 17512.
