DAIRY TRAIL

Here's your chance to explore the inner workings of the largest dairy community on the East Coast! Lancaster is home to more than 98,000 cows on more than 1800 family dairy farms. Each year, Lancaster County farmers provide milk for approximately 10.2 million people. Now, go behind the scenes of Lancaster County's dairy community and see everything from an Amish dairy farm to an old-fashioned ice cream parlor. You'll have a whole new appreciation for your favorite dairy treats.
